Rookie All Star Team Social

Root Beer Social Plan

Purpose/Goal:

To let all the Rookie All-Stars meet each other in a fun social yet professional way. All rookie All-Stars will be invited and can enjoy a root beer floats and each other's company. As a team we truly believe that the other teams we are competing against are more than just alliance members or enemies but also friends. Networking with other teams and being gracious professionals is the true meaning of FIRST.

Plan:

Materials:

per person:

- 1 Can of Mug© Root Beer
- 1 Classic Red Party Cup
- 1 Scoop of Ice Cream

Location/Time:

We will meet outside of the Georgia Dome in the shown area. It will start right after the pits close on Friday. This time is estimated for 6:00 – 6:30. It should last around an hour and clean up will commence by or before 8.

Cost:

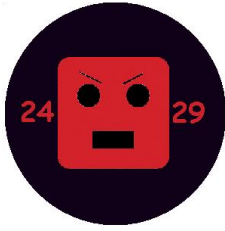

\$1 per person

Jobs Needed:

- 3 people at table collecting money
- 2 handing out root beer and cups
- 4 scooping ice cream
- Rest walking around meeting teams

Proposal:

I propose to have an ice cream social with all the other rookie teams to promote friendship and the true meaning of FIRST, gracious professionalism.

La Canada High School Engineering
Team #2429, La Canada, CA
Los Angeles Regional Rookie All-Stars

Dear Rookie All-Star Team,

Congratulations As a Rookie All-Star team we know how much time and effort you have put into your robot and your community. our team is formally invited to join our team and all the other Rookie All-Star teams for a root beer float get together following pit closure on Friday night.

We will all be meeting right outside main entrance to the Georgia Dome. ur goal is to meet the other Rookie All Star teams in Atlanta, share e periences and kick off the e citing weekend with some fun.

We are asking that you bring 1 dollar per person which will cover the cost of a can of root beer , a scoop of ice cream and a cup.

Please notify us by email if you will be attending so we can buy the materials before the event. Also, tell us how many so we can get a total head count.

See you after the pits close,

Brad Phillips team captain

Steve immerman coach
